

The Complete Guide to Check Collecting, 2011, 144 pages, Michael Reynard, 0984410252, 9780984410255, Prospect Park Books, LLC, 2011

The Complete Guide to Check Collecting is a comprehensive, illustrated resource for collectors of bank checks, autographs, revenue stamps, and paper ephemera. Author Michael Reynard makes it clear why check collecting has been increasing in popularity over the last decade, as financial transactions become more digital and check writing becomes less common. Reynard explains the history of how checks came to be used and accepted as financial instruments, reviews the types of checks and what makes them collectible and valuable, shares tips on buying, selling, storing and displaying collections, and provides resources for novice and experienced collectors alike.
